KERNEL 1983

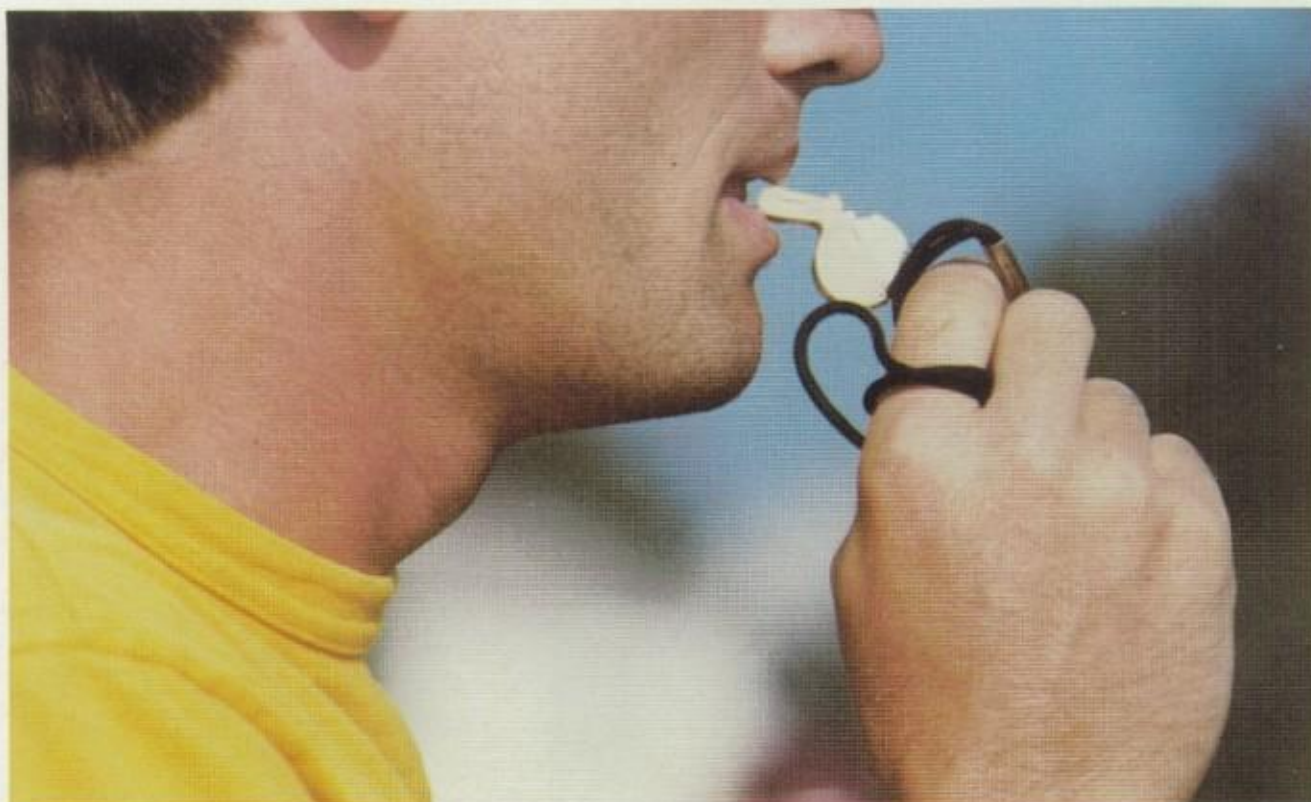

*We begin uncertain,
cautious,
yet expectant*

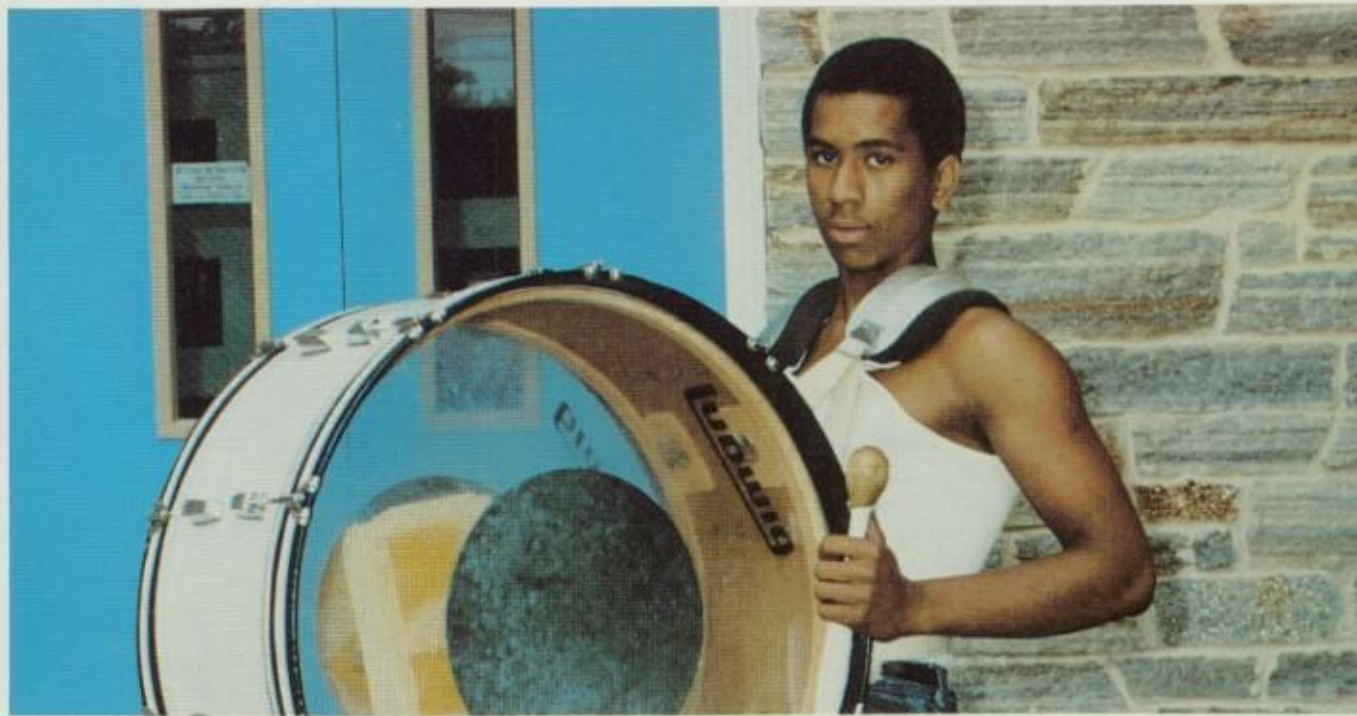

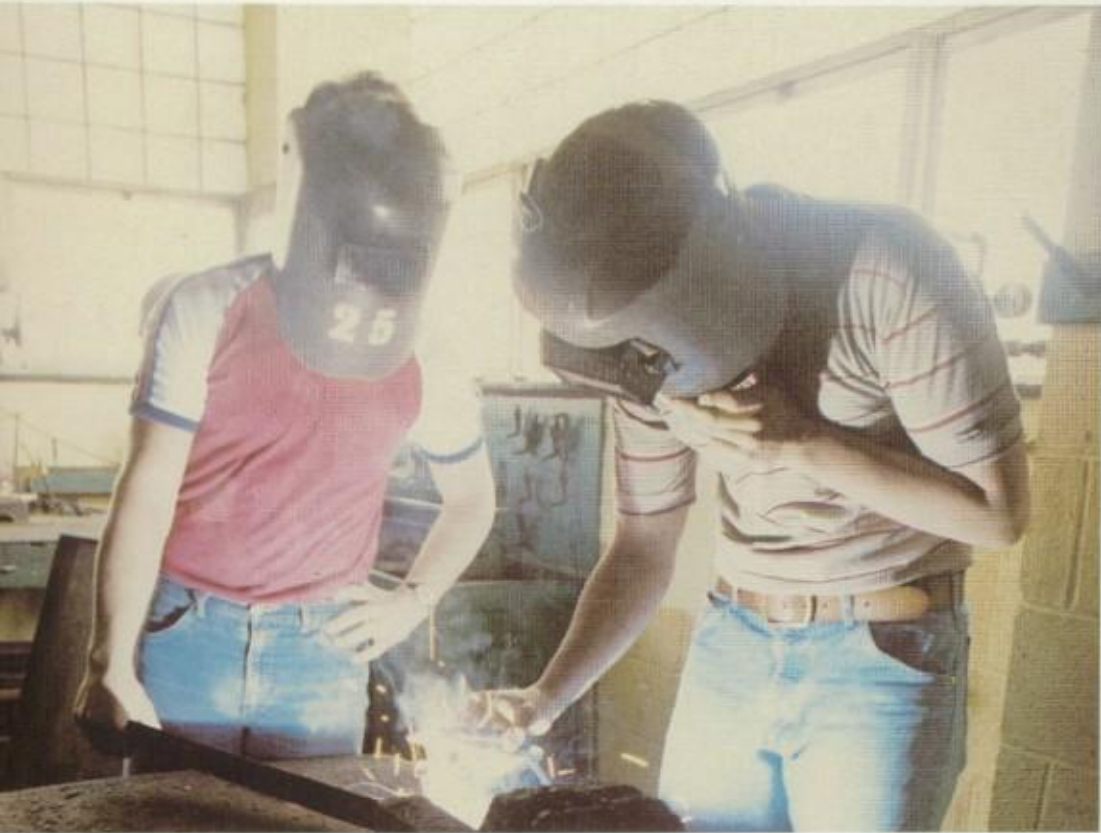

***Visions
are clouded***

First impressions deceive.

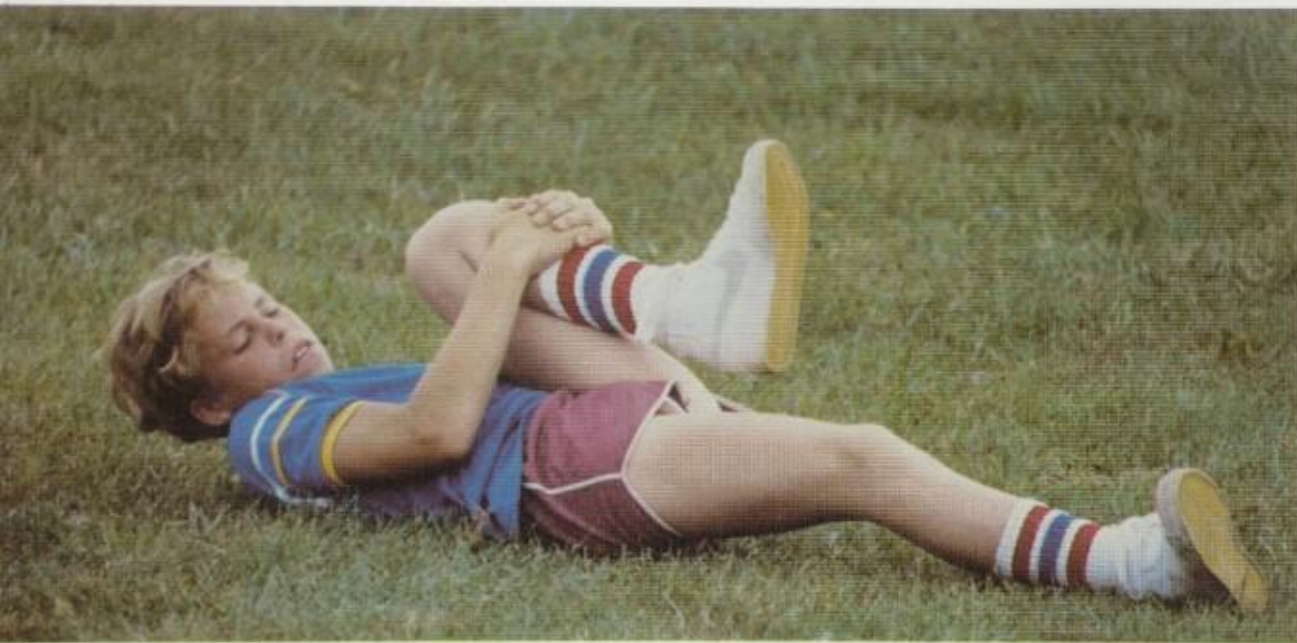

*We see through
dream-filled eyes.*

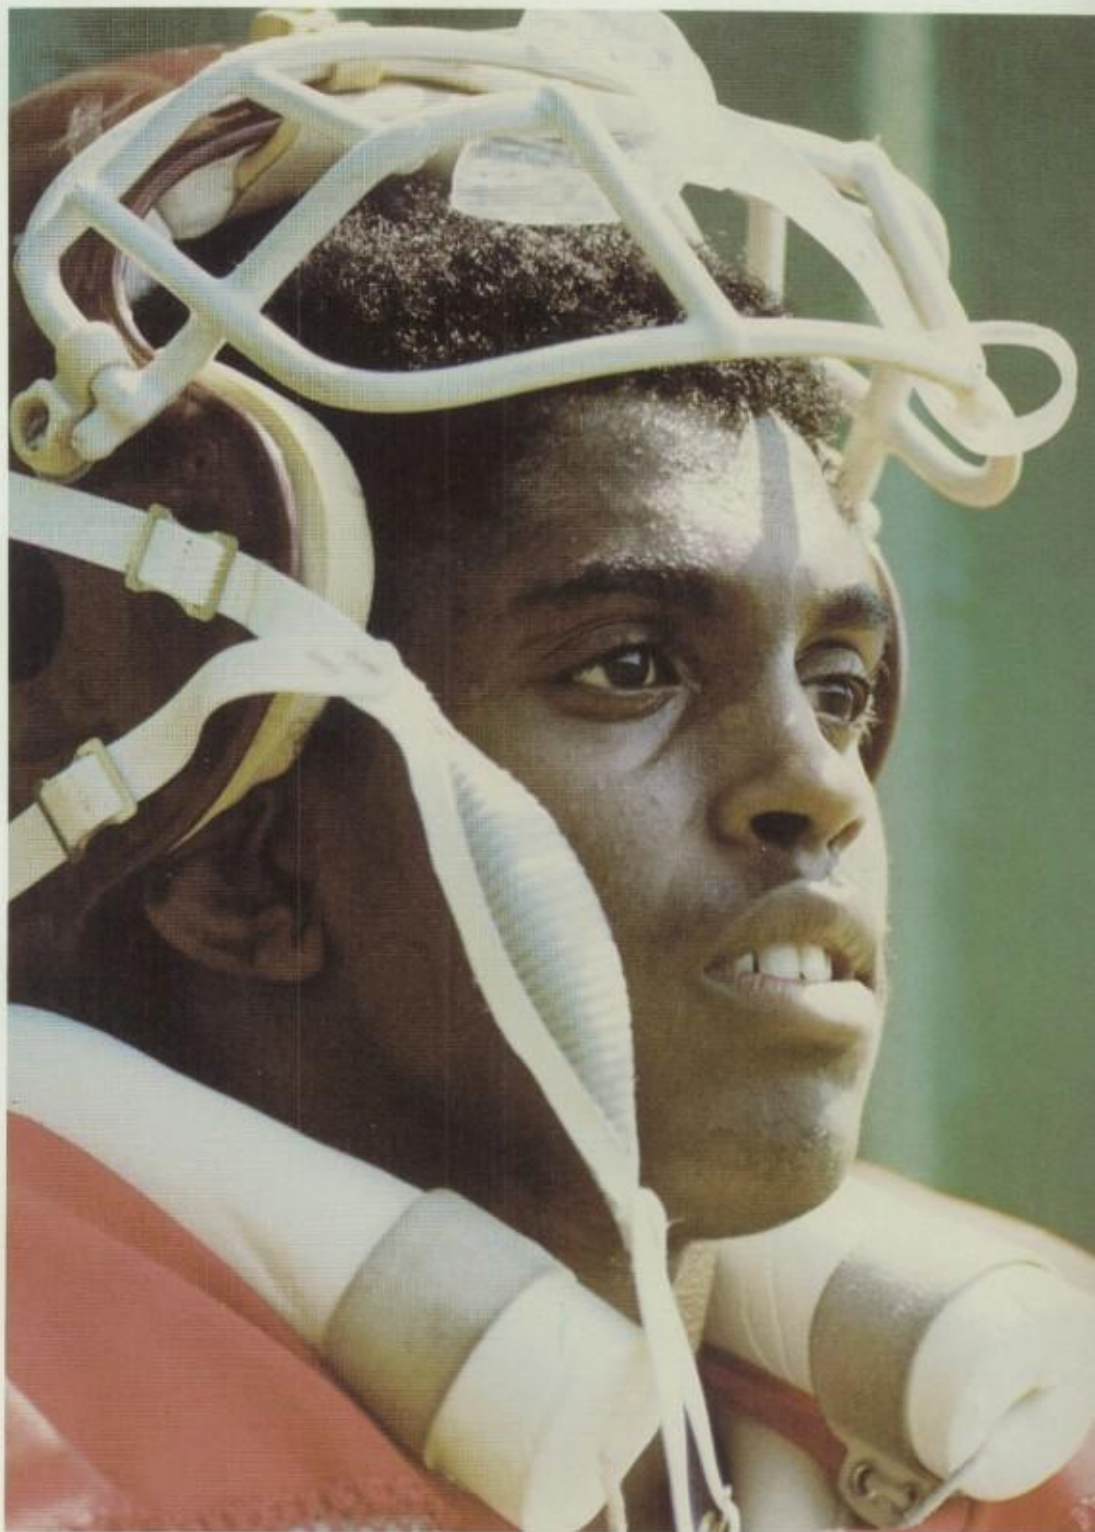

We struggle

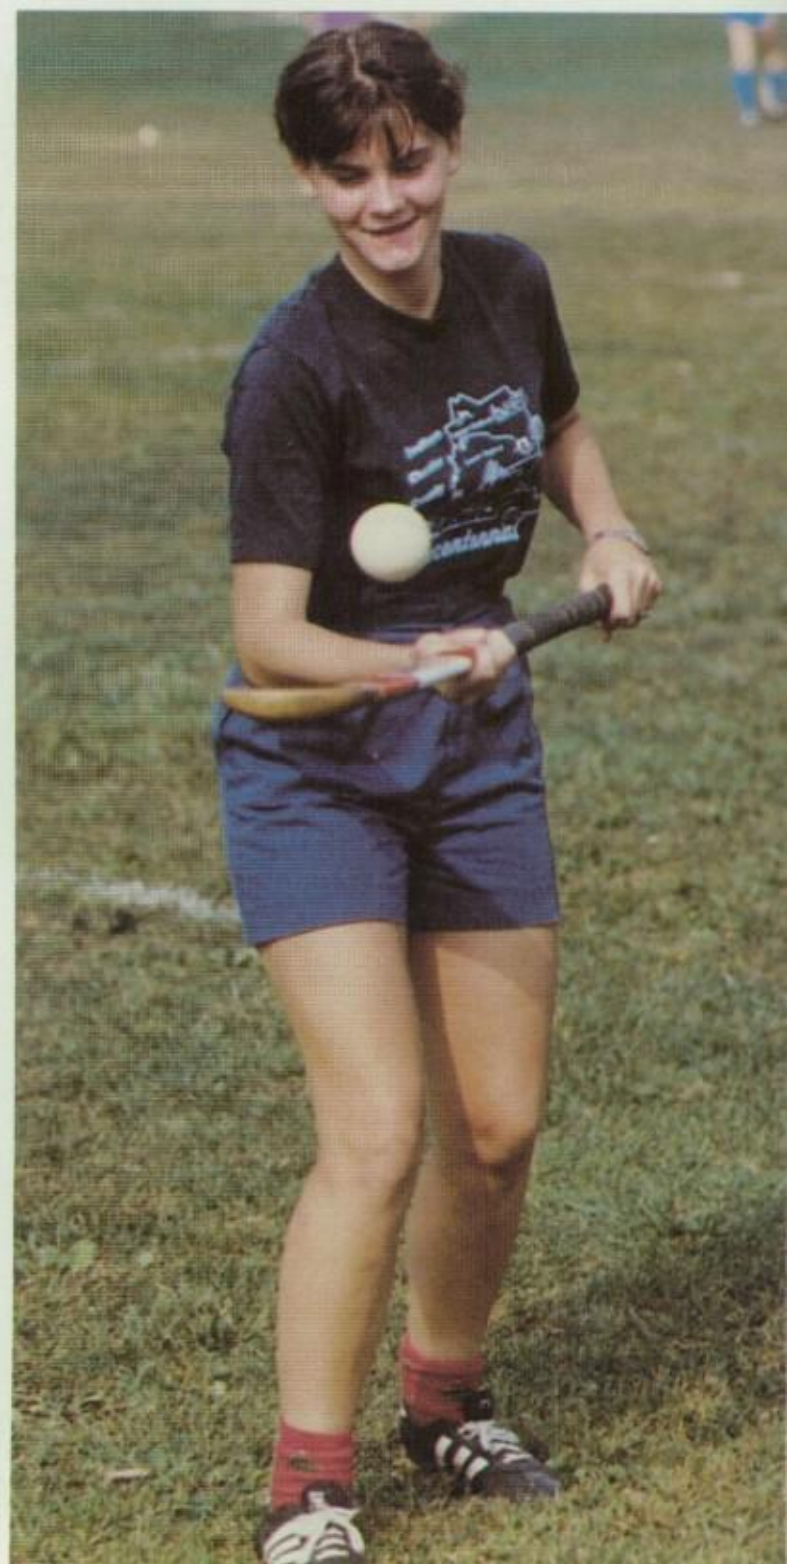

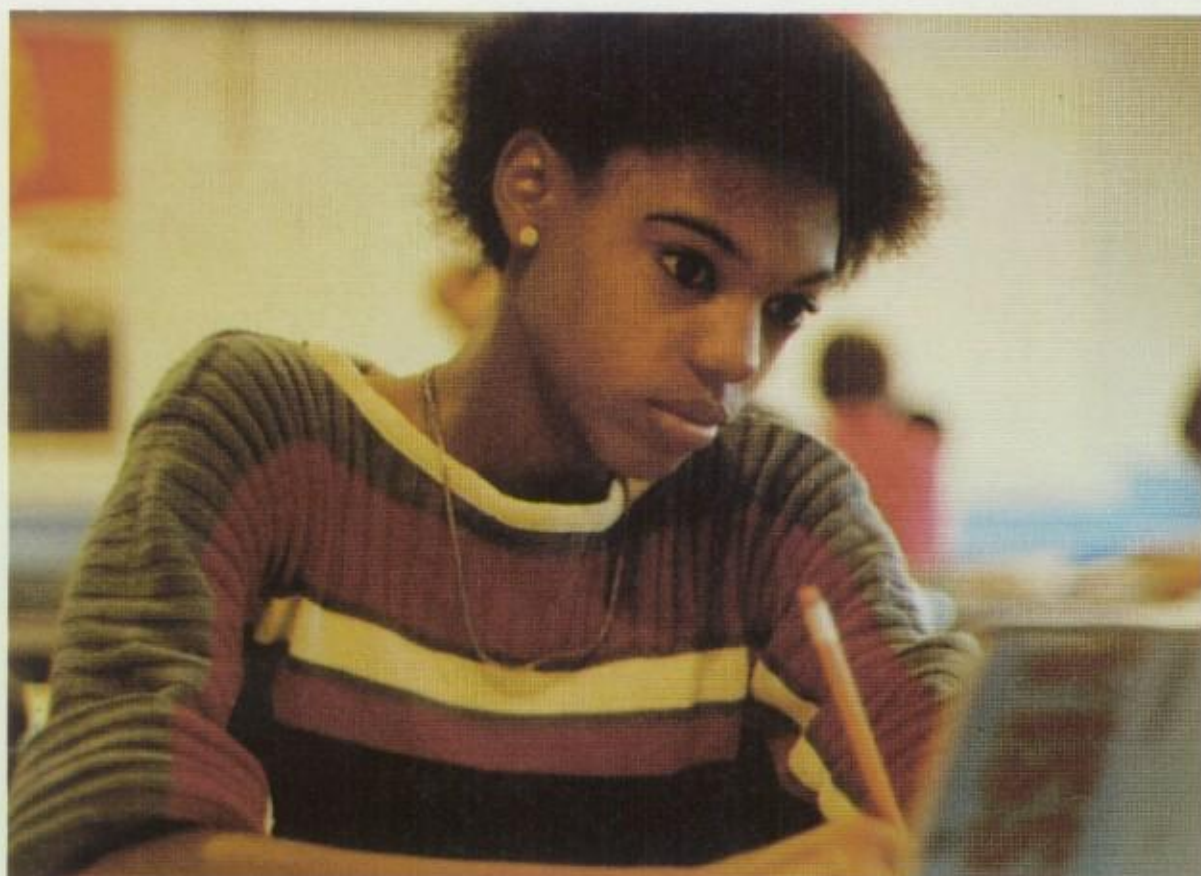

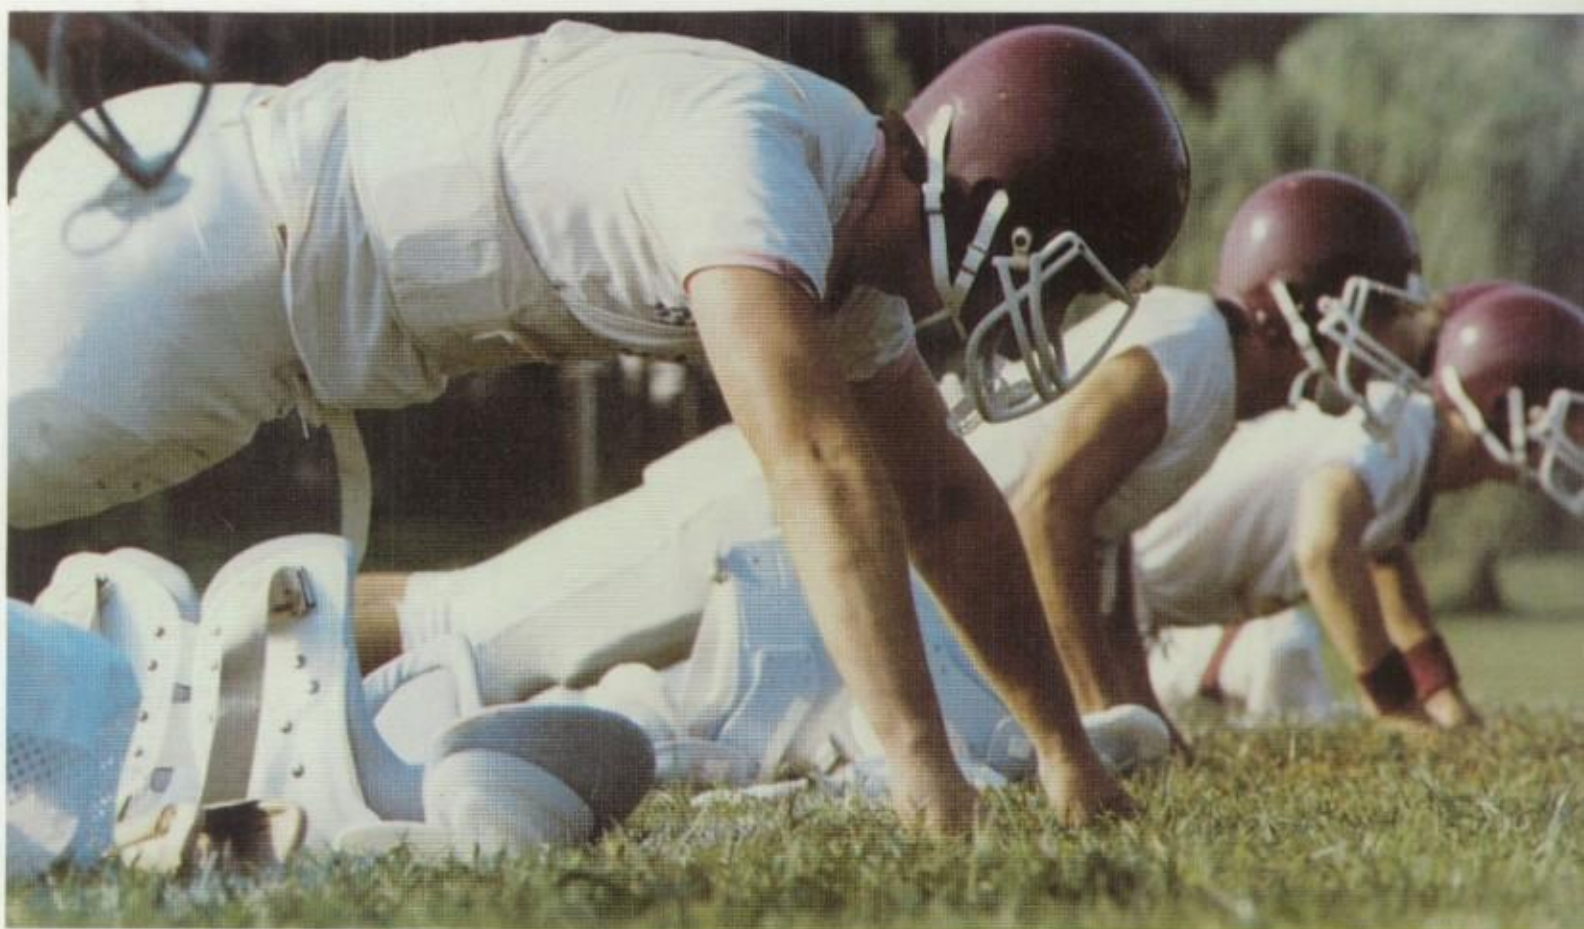

*Some falter, some fail,
some triumph.*

*False hopes dispel,
ideals disperse,*

Illusions fade . . .

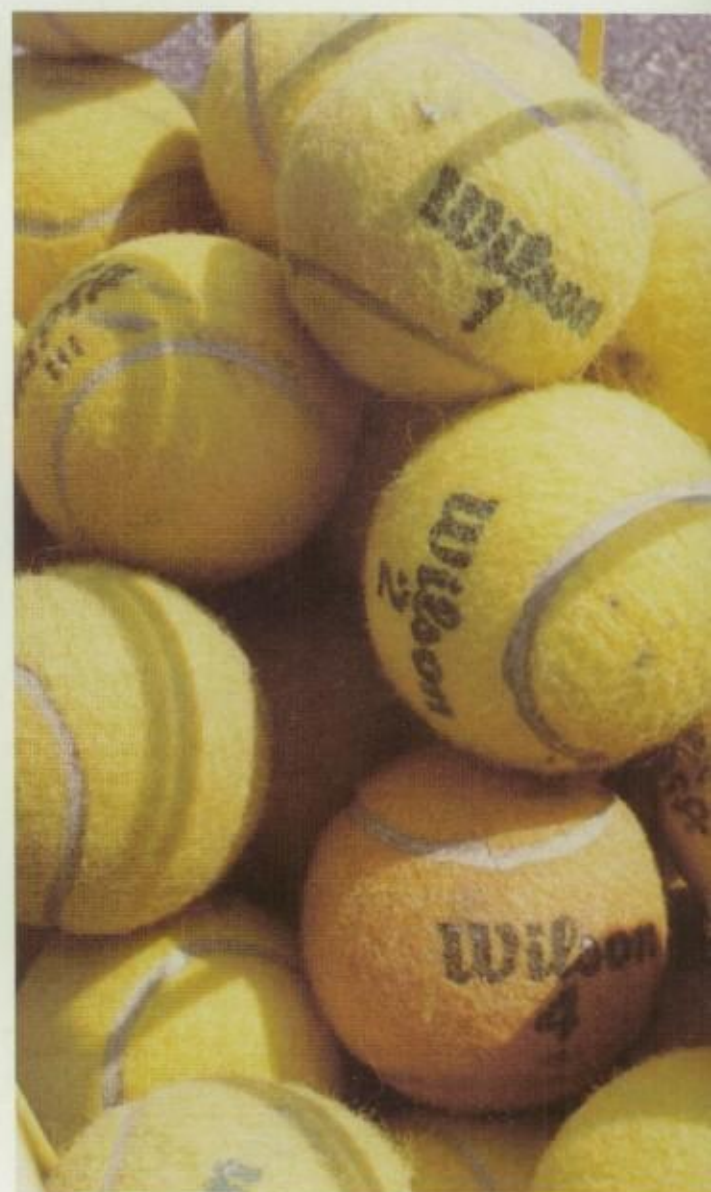

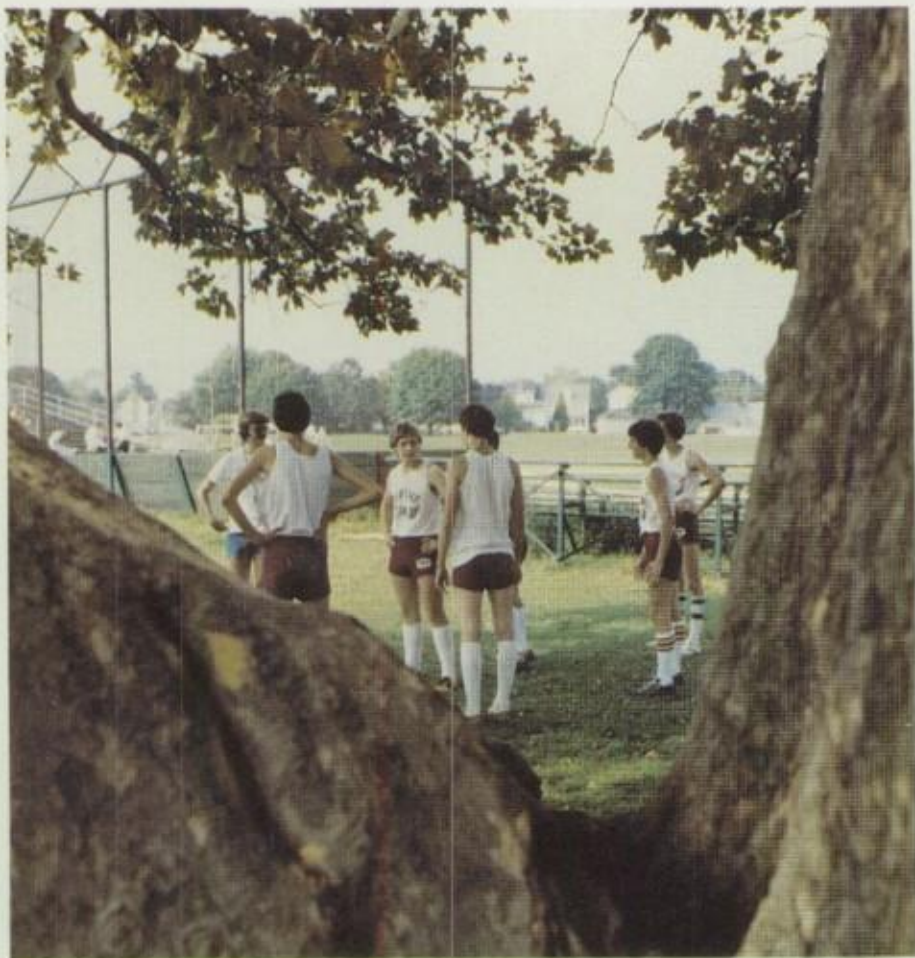

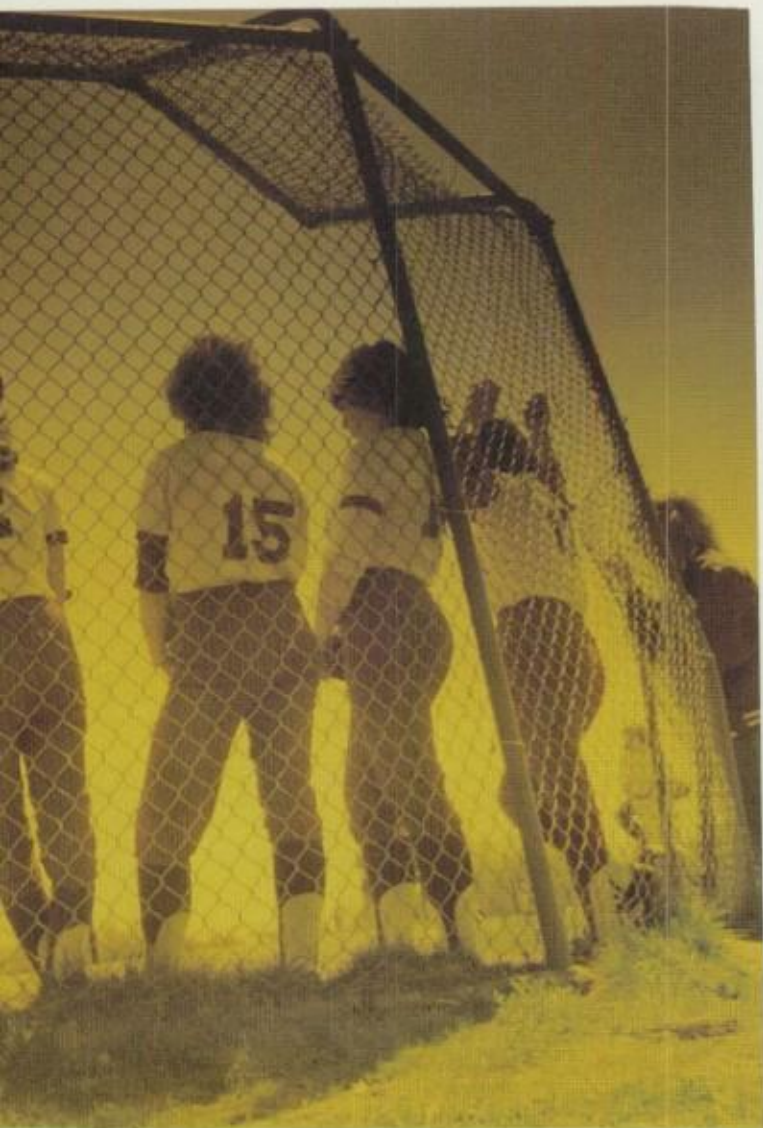

***Come . . .
Come take a closer look***

*Fantasy becomes form,
Specter becomes substance . . .*

Reverie becomes reality

*When I was a child,
I spake as a child,*

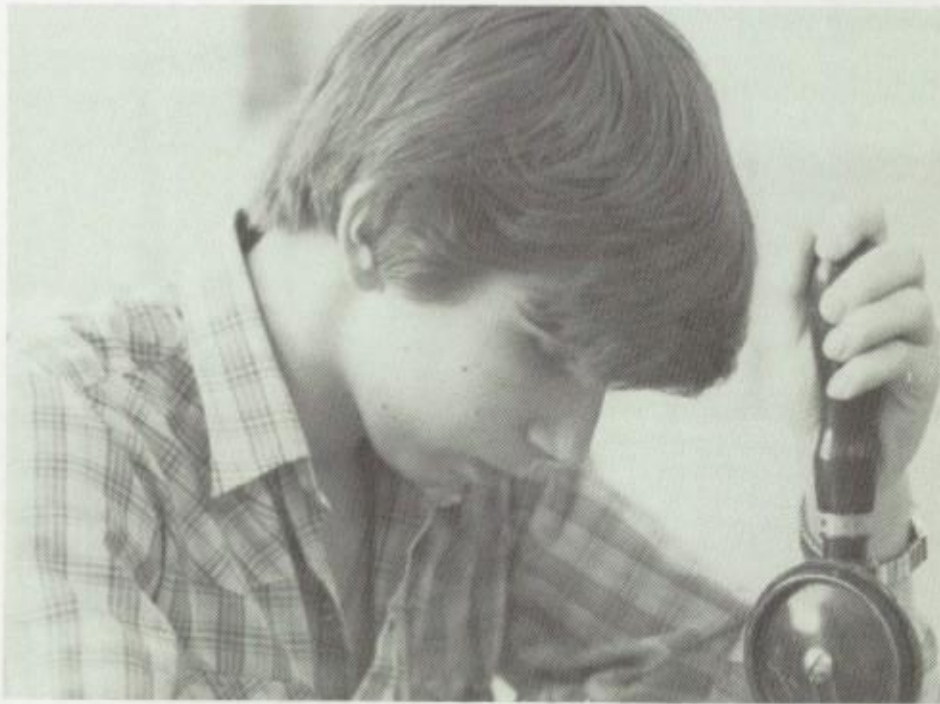

*I understood
as a child,*

***I thought
as a child:***

*But when I
became a man,*

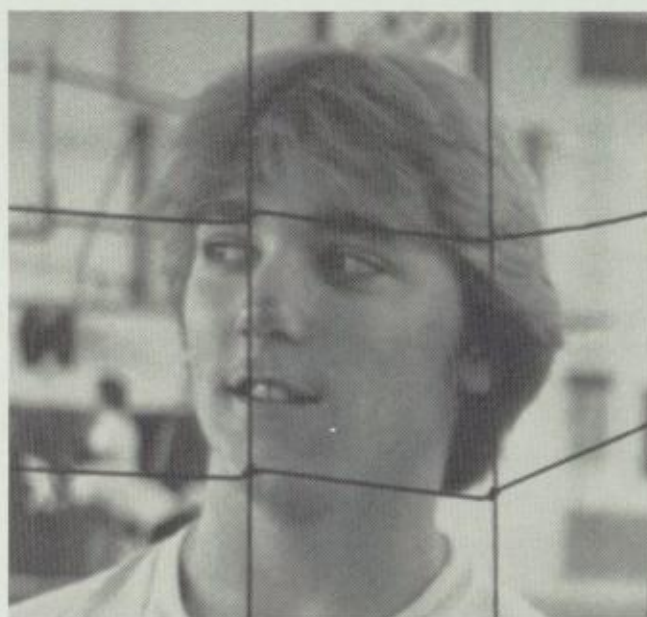

*I put away
childish things.*

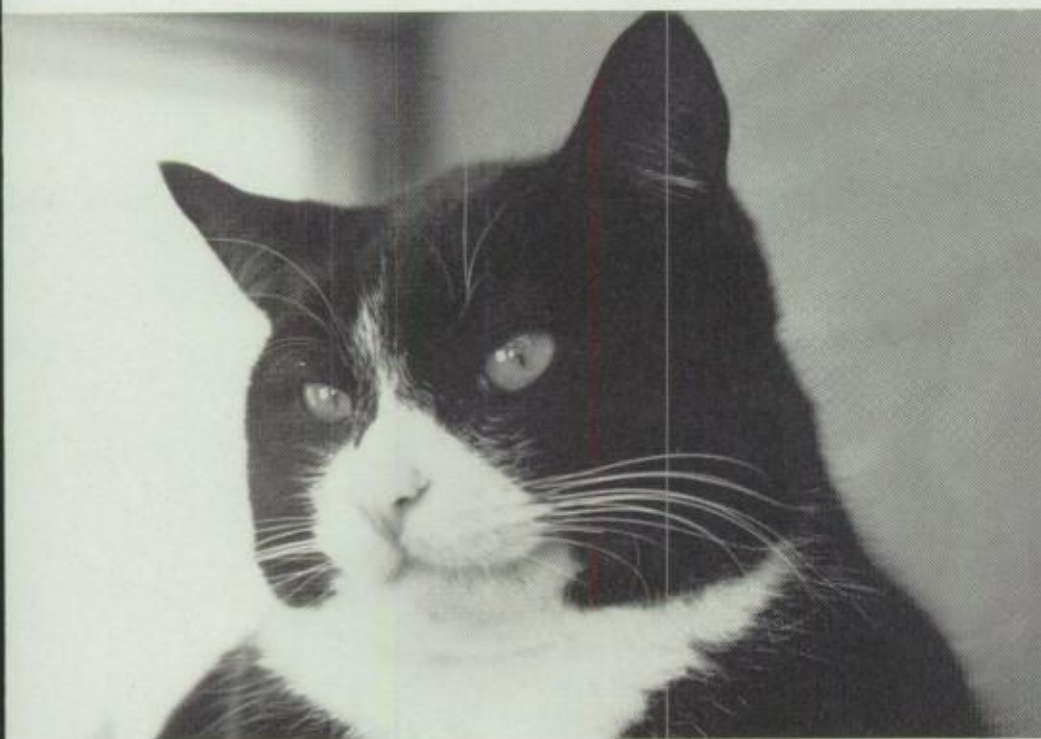

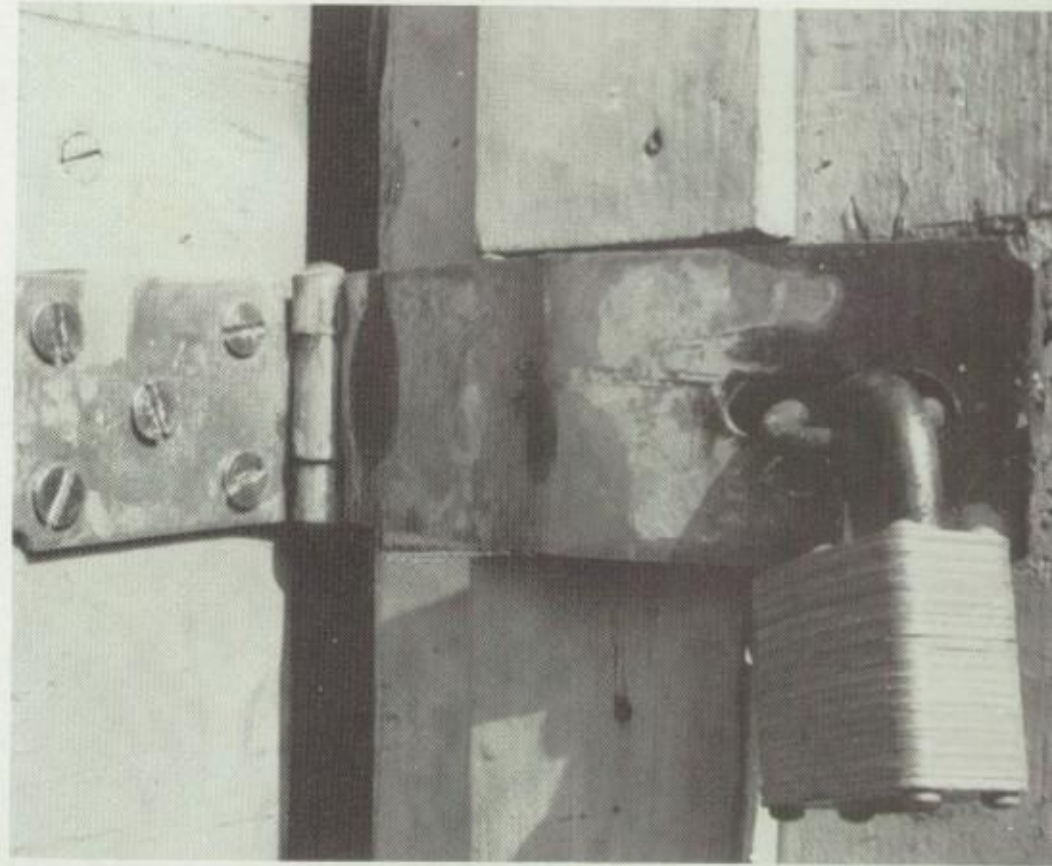

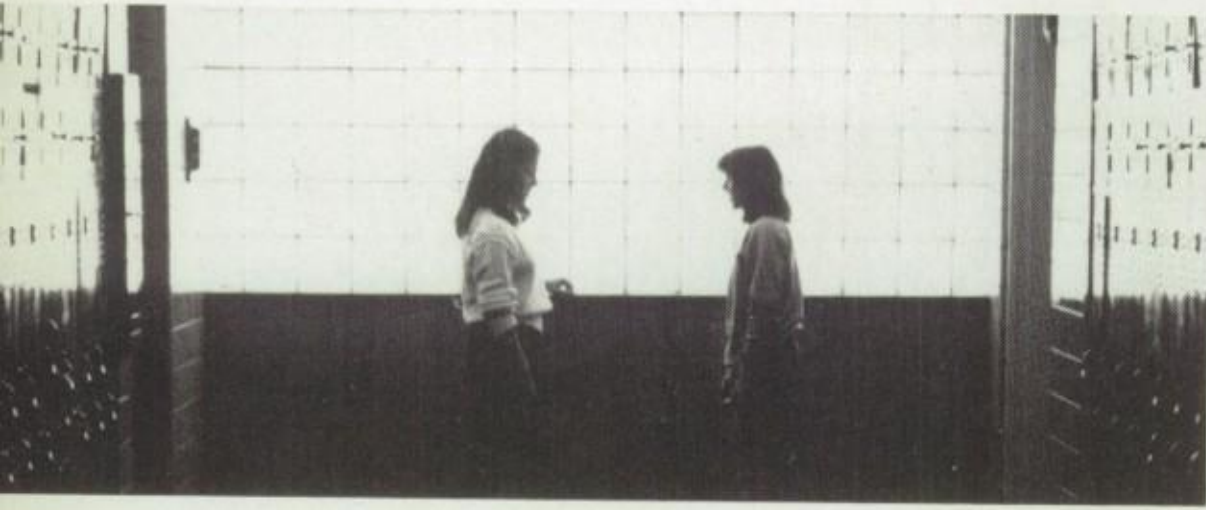

*For now we see
through a glass,
darkly,*

But then face to face:

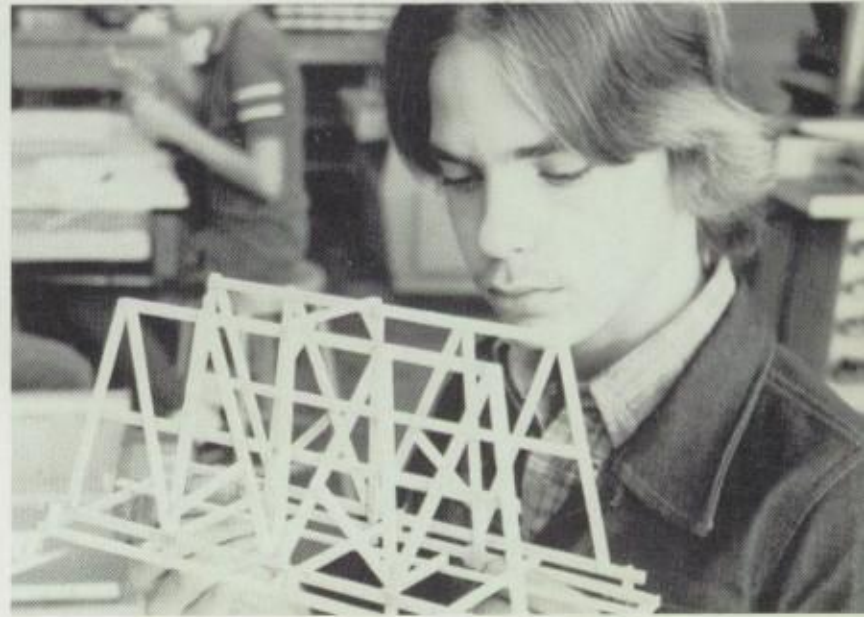

Now I know in part.

*But then I shall
know even as also*

I am known.
